Long time no see,
how have you
been doing?

Well, you
know ...

You?

It's pretty hard to act like
a good president of
student council.

Are you still doing it
alone? You should at
least add one more to
the team.

There is no one
I can truly trust...

What should I drink ~

I've heard ... something
interesting.

A secret ledger?

I heard it from someone
who used to work in
administration.

She overheard its existence
from assistant professors in
a drinking party.

Well, it's only logical
that there is a secret
ledger for the
purpose.

Obtaining it is entirely
a different matter to
deal with.

I have an insider in
security. I can set up a
hole when you want to
go for it.

Seonbae

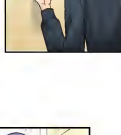

Thank you.
I would have never
gone this far without
you!

Hehe... no,
I should thank
you ...

You are doing what
I couldn't do ...

Hey, Hey-Ri.
